

**PRODUCT INDEX -
 Process Equipment, Process Control / Instrumentation**

Lightnin - www.lightninmixers.com - Plenty, Nettco, Cox, Premier, ShearMax, Mixers, Agitators and Aerators, Top and Side Mounted Mixers, Portables and Static In-liners, Solvent Extraction, Attrition Scrubbers, Flue Gas Desulphurisation, Factory Authorized Aftermarket Services

Sweco - www.sweco.com - Vibrating screens - wet and dry, White Water Filters, Round Vibratory Separators, Sifters, Finishing Mills, Grinding Mills, Centrifuges, Rectangular Separators.

Sweco Hydrocyclones - have proven to be an extremely effective, economical tool for removing solid particles from various fluid streams. These units efficiently and effectively remove virtually all silt particles larger than 25 microns, reducing maintenance and downtime of downstream equipment.

SIHI Pumps - www.sihipumps.com SIHI Pumps is one of the world leaders in liquid ring vacuum pump, and liquid ring compressor technology plus, a range of specialty liquid pumps for hot thermal fluids, refrigerant liquids or low NPSH applications.

Smith & Loveless - proudly advances the Solvent Extraction (SX) Filter market with the introduction of **DI-SEP® SX-DAF** www.di-sepsx.com Copper SX-EW mines throughout North and South America that upgrade with DI-SEP® SX-DAF will significantly increase filtration performance over conventional SX filters with removal efficiencies up to 99% while more than doubling the throughput.

JESCO - www.jescoamerica.com Lutz-JESCO America Corp., has injected liquid chemicals into the Water, Wastewater, Power, Swimming Pool, and Chemical Processing Industries for over 70 years. Our Proportioner and Yarway Cyclo/Phragm pump models 1200, 1700 & 5700 are still available under the Lutz-JESCO logo and are shipped worldwide.

Scientific Columbus - www.rochester.com Signal Converters, Isolators and trips Annunciators, Temperature and Vibration Monitors, Sequential Events Recorders, Digital Fault Recorders, Power Distribution, Metering Transducers and Power Quality Calibrators and Standards.

Hankison International - www.hankisonintl.com Air Dryers Refrigeration and Dessicant Filters Particulate and Oil Vapour

Preso Meters - www.preso.com ThermoTrack®, Ellipse® Industrial, Venturi Industrial, Coin® Flow Meter, Ellipse® Commercial, Preso also manufactures the B+® and C+ metering and balancing valves for the HVAC industry.

Sioux - www.sioux.com Since 1939, Sioux Corporation has been designing and manufacturing industrial-quality cleaning equipment, water heating and cooling systems, solution heaters and steam generators.

Spiroflow Systems - www.spiroflowsystems.com Flexible Screw Conveyors, Aero Mechanical Conveyors, Tubular Cable and Chain Drag Conveyors, Vacuum Conveyors, Bulk Bag Dischargers, Bulk Bag Fillers, Sack Fillers, Bag Dump Stations, Ingredients Handling Systems, Flexible Silos and Weighing Systems.

Scott Turbon Mixer - www.scottmixer.com Dispersion, Emulsification, Homogenization of difficult materials

J&H Equipment - www.jhequipment.com Screening Feeders, Splitters, Samplers, Loaders, Overhead Cranes, Drag Flight Conveyers - Bucket Elevator, BeltMasters, Belt accessories

Western Valve - FNW Knife Gates, Globes and Checks Ball and Butterfly
